Use Westminster Woods for Weddings, Family Gatherings, Meetings, Retreats, Workshops, RV Camping, and Outdoor Sports

Dining and Small Meeting Hall

Small groups meet and dine in this 500 square-foot, multi-purpose facility. The kitchen has a stove, microwave, refrigerator, dishwasher, cooking utensils, and dishes. It also includes a small restroom and shower.

Wedding Chapel

This 1600 square-foot chapel can handle more than 100 people, depending on whether outdoor patio seating is used. Many wedding groups also reserve the dining hall for a rehearsal dinner. This is an ideal venue for a summer wedding!

RV Camping

Eight full-service RV sites are nestled in the forest, yet close to the Dining Hall, Wedding Chapel, and Meeting Center. Three of the sites are pull-through. All RV sites include water, power, and sewer hook-ups, including 50-amp service for larger RVs.

Dorm/Sleep Center/Bunkhouse

Bunk beds with mattresses sleep up to 20, and restrooms are included. Please bring your own bedding; we provide mattress covers. This facility allows boys and girls in separate sides; the two restrooms are also separated.

Meeting Center

The meeting center can be configured in concert, classroom, or theater layout. It has a large meeting space, kitchenette for refreshments, and restrooms. There is a retractable screen and white board. An adjacent stone patio can be used in good weather.

Outdoor Sports

Who needs a beach? Westminster Woods has a volleyball court with comfortable sand. It also has soccer and softball fields, life-size chess board for outdoor play, horseshoe pits, 9-hole disc golf course, and a network of summer and winter trails.
